

Kathy fiddles with Ann's hair.

KATHY
Have you caught any more unfaithful
husbands?

Ann huffs.

ANN
There ain't enough in this town.
Not since that Amber Madigan
fiasco...

They all look at her: what?

KATHY
Wasn't she from McComb? Or was it
Hazlehurst?

Jenny rolls her eyes as Ann huffs.

ANN
No-

JENNY
She means Ashley Madison. The
website for you know...

ANN
Indiscretions.

Kathy remembers.

KATHY
That sure shook things up around
here.

ANN
And ruined my business.

She grumbles to herself.

KATHY
Don't you worry, honey. Won't take
long at all till things are back to
normal...
