

For the Professor, please read for PLUM from Clue.

SCARLET

No, Mr. Green. Communism is just a red herring. Like all members of the oldest profession, I'm a capitalist. And I'm gonna sell my secrets--your secrets--to the highest bidder.

PLUM

And what if we don't cooperate?

SCARLET

You will. Or I'll expose you.

PLUM

We could expose you. Six murders .
. . . ?

SCARLET

I hardly think it will enhance your reputation at the U.N., Professor Plum, if it's revealed that you have been implicated not only in adultery with one of your patients, but in her death. And the deaths of five other people?

PLUM

You don't know what kind of people they have at the U.N. I might go up in their estimation.
