

In an attempt to smooth things over

LUCY

Tate was telling me about this woman that he knows.

BRICE

God is the one that makes all things possible and you must show him your devotion because without him in your life, your life is worthless.

Although Tate expects this kind of talk from a Pastor, it is hard to take from his baby brother.

TATE

Ah....

Lucy runs interference.

LUCY

Tate has a lady-friend and he's...

BRICE

Tate needs to repent for his sins and if he asks for forgiveness our loving merciful God will grant it. If you believe and are baptized then you are saved. That's your good news, Brother.

TATE

Yes?

BRICE

Even though you have taken the lives of others God will forgive you.

TATE

Ah...I wasn't worried.

BRICE

Turn all your worries over to Christ.

TATE

I think I'll leave now and go check out my new ranch.

He gets up to leave.
