

CLARENCE MCGREGOR SIDES

CLARENCE MCGREGOR

The Colonel said you needed a helping hand.

CASPER ODOM

I didn't ask for any help. We've got three mounts ready to go and they all have riders.

CLARENCE MCGREGOR

Saddled up my cayuse ten minutes ago... Marshal. Ready to leave when you are.

CASPER ODOM

I suppose you'll be looking for the girl, with or without us.

CLARENCE MCGREGOR

One way or another.

(beat)

Heard you're a good tracker. Musta learned in the war. That's where I picked up the trade... tracking runaway slaves. I just wonder what side you was on.

CASPER ODOM

The only men I've tracked are Apaches. But if I'd fought in the war between states, I'd a been on the side fighting to keep them together.

CLARENCE MCGREGOR

After you.

(beat)

Marshal.
