

JOHN AND FRANK - SIDES

Frank and John walk in silence to the top of a hill and look out on the desert landscape.

JOHN GREY
I always thought I'd die before
her.

Frank listens.

JOHN GREY
Do you know what I mean Frank?

FRANK
Yes.

Pause.

JOHN GREY
I never envisioned a very long life
for myself.

FRANK
Neither did I.

Pause.

JOHN GREY
Has Sadie gone?

FRANK
Yes.

JOHN GREY
Don't let it happen, Frank.

Frank: nothing.

JOHN GREY
If I could've kept her in this
world, if I somehow could have held
onto her, just for a couple more
years, I would've.

Pause.

FRANK
Do you think there's another world,
other than this one?

(CONTINUED)

JOHN GREY
I hope there is. Do you?

Frank thinks a while.

FRANK
Yes.
