

DEPUTY JACKSON SIDES

DEPUTY JACKSON

Is it true, Marshal?  
(whispers)  
They're coming?

CASPER

There's a better chance than not.  
(sees Jackson is scared)  
Speak your mind, son.

DEPUTY JACKSON

With the marshal dying and all.  
Them coming... I just don't know if  
I'm cut out of this no more.

CASPER

There's no shame in that. This  
ain't your fight unless you want it  
to be.

DEPUTY JACKSON

How many'll be comin'?

CASPER

Eight. Maybe ten.

DEPUTY JACKSON

You ever killed that many?

CASPER

More. Just not all at the same  
time.

DEPUTY JACKSON

I just hope I can muster the  
courage to beat 'em.

CASPER

Will, courage isn't about winning.  
It's about showing up to the fight.
