

The same scruffy Druggie that let Jenny inside glares through the crack. He menacingly growls at Jack.

DRUGGIE

What the hell do you want?

JACK

I'm looking for Jenny. Jenny Stevens. Is she in there?

DRUGGIE

She ain't here.

The Druggie slams the door but, before he can close it, Jack shoves his boot into the doorway.

JACK

I'll ask you one more time. Is she in there?

The Druggie smirks, exposing his rotting teeth.

DRUGGIE

Fuck you cowboy!
